CONDITIONS

1. Acceptance of the quotations constitutes a concluded contract. Nevertheless the successful tenderer must within a fortnight a month after the acceptance of his quotation furnish 5 per cent of the amount of the contract as Security Deposit and execute an agreement at his own cost for the satisfactory fulfillment of the contract, if so required.
2. Withdrawal from the quotation after it is acceptance of failure to supply within a specified time or according to specifications will entail cancellation of the order and purchases being made at the offerers expense from elsewhere, any loss incurred thereby being payable by the defaulting party. In such an event the Government reserve also the right to remove the defaulter's name from the list of Government suppliers permanently or for a specified number of years.
3. Samples, duly listed, should be forwarded if called for under separate cover and the unapproved samples got back as early as possible by the offerer's at their own expenses and the Government will in no case be liable for any expenses on account of the value of the samples or their transport charges etc. In the case samples are sent by railway, the railway receipt should be sent separately and not along with the quotation since the quotation will be opened only on the appointed day and demurrage will have to be paid if the railway parcels are not cleared in time. Quotations for the supply of materials are liable to be rejected unless samples, if called for, of the materials tendered for are forwarded. The approved samples may or may not be returned at the discretion of the undersigned. Samples sent by 'V. P. Post' or freight to pay will not be accepted.
4. No representation for enhancement for price once accepted will be considered during the currency of the contract.
5. Any attempt on the part of tenderers or their agents to influence the officers concerned in their favour by personal canvassing will disqualify the tenderers.
6. If any licence or permit is required, tenderers must specify if their quotation and also state the authority to whom application is to be made.
7. The quotation may be for the entire or part supplies. But the tenderers should be prepared to carry out such portion of the supplies included in their quotation as may be allotted to them.
8. (a) In cases where a successful tenderer after having made partial supplies fails to fulfill the contracts in full all or any of the materials not supplied may at the discretion of the Purchasing Officer, be purchased by means of another tender/quotation or by negotiation or from the next higher tenderer who had offered to supply already and the loss, if any caused to the Government shall thereby together with such sums as may be fixed by the Government towards damages be recovered from the defaulting tenderer.

- (b) Even in cases where no alternate purchase are arranged for the materials not supplied the appropriate portion of the security deposit based on the cost of the materials not supplied at the rate shown in the tender of the defaulter shall be forfeited and balance alone shall be refunded.
9. The prices quoted should be inclusive of all taxes, duties, cesses etc. which are or may become payable by the contractor under existing or future laws or rules of the country of origin/supply or delivery during the course of execution of the contract.
10. Tenderers shall quote also the percentage of rebate (discount) offered by them in case the payment is made promptly within fifteen days/within one month of taking delivery of stores.
11. Special conditions, if any printed on the quotations sheets of the tenderer or attached with the tender will not be applicable to the contract unless they are expressly accepted in writing by the purchaser.
